

Administrative Regulation

Nondiscrimination/Harassment

AR 5145.3

Students

The following mandated administrative regulation provides measures that may be implemented by a charter school to comply with state and federal laws and regulations prohibiting unlawful discrimination at school or in school-sponsored or school-related activities, including discriminatory harassment, intimidation, and bullying, of any student based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, genetic information, or any other legally protected category or association with a person or group with one or more of these actual or perceived characteristics. Federal and state law also prohibit retaliation against those who engage in activity to protect civil rights.

5 CCR 4621 mandates the charter school to identify in its policies and procedures the person(s), position(s), or unit(s) responsible for ensuring compliance with applicable state and federal laws and regulations governing educational programs, including the receiving and investigating of complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying. In addition, 34 CFR 106.8 and other federal regulations mandate charter schools that receive federal financial assistance to adopt procedures for the "prompt and equitable" resolution of student and employee discrimination complaints, including the designation of one or more responsible employees to ensure charter school compliance with federal laws and regulations governing the charter school's educational programs.

During the Federal Program Monitoring process, California Department of Education (CDE) staff will check to ensure that the charter school's procedures list the specific title(s) of the employee(s) responsible for investigating complaints. The U.S. Department of Education's (USDOE) Office for Civil Rights (OCR) is the agency responsible for the administrative enforcement of federal antidiscrimination laws and regulations in programs and activities that receive federal financial assistance from the department. In reviewing a charter school's discrimination policies and procedures, OCR will examine whether the charter school has identified the employee(s) responsible for coordinating compliance with federal civil rights laws, including the investigation of complaints.

The following paragraph identifies the employee(s) designated to coordinate the charter school's efforts to comply with state and federal civil rights laws as the same person designated to investigate and resolve discrimination complaints under AR 1312.3 - Uniform Complaint Procedures. Charter schools may modify the following paragraph to designate different charter school employees to serve these functions. Note also that a charter school may designate more than one employee to coordinate compliance and/or receive and investigate complaints, although each employee designated as a coordinator/compliance officer must be properly trained.

34 CFR 106.8, as amended by 85 Fed. Reg. 30026, requires that the employee designated by the charter school to coordinate its responsibilities under Title IX be referred to as the Title IX Coordinator. The Title IX Coordinator is responsible for receiving complaints of sexual harassment and determining whether the complaint should be appropriately addressed through AR 1312.3 or the federal Title IX complaint procedures pursuant to 34 CFR 106.44-106.45. The Title IX Coordinator may be the same person designated below and in AR 1312.3. See AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

The charter school designates the individual(s) identified below as the employee(s) responsible for coordinating the charter school's efforts to comply with applicable state and federal civil rights laws and to answer inquiries regarding the charter school's nondiscrimination policies. The individual(s) shall also serve as the compliance officer(s) specified in AR 1312.3 - Uniform Complaint Procedures as the responsible employee to handle complaints alleging unlawful discrimination targeting a student, including discriminatory harassment, intimidation, or bullying, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, genetic information, or any other legally protected status or association with a person or group with one or more of these actual or perceived characteristics. The coordinator/compliance officer(s) may be contacted at: (Education Code 234.1; 5 CCR 4621)

Measures to Prevent Discrimination

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students in charter school activities and to ensure equal access of all students to the educational program, the Executive director or designee shall implement the following measures:

1. Publicize the charter school's nondiscrimination policy and related complaint procedures, including the coordinator/compliance officer's contact information, to students,

parents/guardians, employees, volunteers, and the general public by posting them in prominent locations and providing easy access to them through charter school-supported communications

2. Post the charter school's policies and procedures prohibiting discrimination, harassment, student sexual harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media, in a prominent location on the charter school's web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)

3. Post the definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8, in a prominent location on the charter school's web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)

4. Post in a prominent location on the charter school web site in a manner that is easily accessible to parents/guardians and students information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, pregnancy, and parental status, including the following: (Education Code 221.6, 221.61, 234.6)

a. The name and contact information of the charter school's Title IX Coordinator, including the phone number and email address

b. The rights of students and the public and the responsibilities of the charter school under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the web sites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR)

c. A description of how to file a complaint of noncompliance under Title IX, which shall include:

(1) An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred and how a complaint may be filed beyond the statute of limitations

(2) An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including web links to this information on the OCR's web site

(3) A web link to the OCR complaints form and the contact information for the office, including the phone number and email address for the office

d. A link to the Title IX information included on the California Department of Education's (CDE) web site

5. Post a link to statewide CDE-compiled resources, including community-based organizations, that provide support to youth who have been subjected to school-based discrimination, harassment, intimidation, or bullying and to their families. Such resources shall be posted in a prominent location on the charter school's web site in a manner that is easily accessible to parents/guardians and students. (Education Code 234.5, 234.6)

6. Provide to students a handbook that contains age-appropriate information that clearly describes the charter school's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior.

7. Annually notify all students and parents/guardians of the charter school's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the charter school's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the charter school will address any individual student's interests and concerns in private.

8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the charter school's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular charter school speak a single primary language other than English, the charter school's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the charter school shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the charter school's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the charter school may use to provide a discrimination-free environment for all charter school students, including transgender and gender-nonconforming students.

10. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code

234.1)

11. At the beginning of each school year, inform each principal or designee of the charter school's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights.

Enforcement of Charter school Policy

The Executive director or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti
2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond
3. Disseminating and/or summarizing the charter school's policy and regulation regarding unlawful discrimination
4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment
5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of charter school policy, including any student who is found to have filed a complaint of discrimination that the student knew was not true

Process for Initiating and Responding to Complaints

Students who feel that they have been subjected to unlawful discrimination described above or in charter school policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a report of unlawful discrimination, including discriminatory harassment, intimidation,

retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Executive director or designee who shall determine how the complaint will be investigated.

Transgender and Gender-Nonconforming Students

Note: The term "gender identity" is not specifically defined in the Education Code. The following definition is consistent with case law and generally accepted terms within academia, as well as the Resolution Agreement between the Arcadia Unified School Charter school, the U.S. Department of Education Office for Civil Rights, and the U.S. Department of Justice, Civil Rights Division, which defines "gender identity" as "one's internal sense of gender, which may be different from one's assigned sex, and which is consistently and uniformly asserted, or for which there is other evidence that the gender identity is sincerely held as part of the student's core identity."

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The charter school prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or

hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the charter school and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The charter school's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the charter school of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the charter school shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's transgender or gender-nonconforming status is the student's private information and the charter school shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the charter school has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the charter school shall only allow disclosure of a student's personally identifiable information to employees with a legitimate

educational interest as determined by the charter school pursuant to 34 CFR 99.31. Any charter school employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a charter school employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the charter school's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within five school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The charter school shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless charter school personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the charter school maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the charter school shall offer available options such

as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the charter school shall not require a student to utilize these options because the student is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code 49070, the charter school shall update the student's records. (Education Code 49062.5, 49070)

6. Names and Pronouns: If a student so chooses, charter school personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official charter school record. However, inadvertent slips or honest mistakes by charter school personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying charter school policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.
